Perhaps, but too expensive.	159	13.00%
Perhaps, but not enough range.	120	9.81%
Perhaps, but takes too long to charge.	31	2.53%

5. In November 2022, the Virginia and West Virginia Speakers of the House announced a joint effort to have both states work together to make Southwest Virginia and Southern West Virginia a regional epicenter for small modular nuclear reactors — the type used on Navy ships — but for local power production. Do you think:

1712 Responses

Answer	Count	Percent
This is a good idea. Nuclear power is safe, reliable, and produces no carbon.	883	65.90%
This is a bad idea. Nuclear accidents are catastrophic, and reactors produce nuclear waste.	90	6.72%
I am on the fence. I would like to learn more about it.	367	27.39%

6. The General Assembly recently decriminalized the possession and growing of up to four (4) marijuana plants, but a legal retail market has yet to be established. The General Assembly should:

1712 Responses

Answer	Count	Percent
Re-criminalize marijuana	439	33.11%
Leave things as they are	296	22.32%
Set up a legal retail market, like other states, to hopefully bring an end to black market/illegal sales.	591	44.57%

7. In the 2020-21 legislative sessions, several laws were passed designed to reduce gun deaths by making it more difficult to obtain a firearm. Based on what you know about these laws, do you think they are:

1712 Responses

Answer	Count	Percent
Too restrictive; it should be easier to legally buy a firearm	461	35.08%
About right	420	31.96%
Not restrictive enough; it should be more difficult to legally obtain a firearm.	433	32.95%
